

Preschool for today's child ...and tomorrow's inner child.

Young children possess boundless imagination, perfect openness to the world and all its beauty, and the inborn belief that anything is possible. We believe that these wonderful gifts should not fade with age.

With a fundamental focus on music, dance, theatre and visual arts, our goal is to enable children to fully explore and express these gifts in an endless variety of ways. Inspiring and nurturing today's child firmly implants their future *inner* child – that playfulness, creativity, vision and confidence that will enable them to realize their dreams.

"When I examine myself and my method of thought, I come to the conclusion that the gift of fantasy has meant more to me than my talent for absorbing knowledge."
