Certified Teacher – Grade 7 (Full-time)

Do you have a passion for children? Are you inspired to create a positive and engaging learning environment for students? Are you a creative teacher who enjoys infusing the Arts into your daily lessons? If so, you may be exactly the person we're looking for.

ArtsCalibre Academy is seeking a dynamic and creative Grade 7 teacher at our Middle/High School for the coming **2022/2023 school year**. Founded in 2011, our fully accredited independent school features a comprehensive, Arts-enriched K-12 program. The Fine Arts in all their forms and our creative approach to education are incorporated into virtually every aspect of our curriculum – instilling in our students countless values such as proactivity, collaboration, community spirit, and a lifelong love of learning.

The successful candidate will teach all core academic subjects to a small group of 10 highly engaged students, aided by an Educational Assistant (EA) in a well-equipped classroom. Under these optimal conditions, the opportunities are endless in helping these young people creatively reach their full potential. As your schedule permits, you are also invited to teach an Arts-based or other elective in a subject area that excites you and feeds your passion.

ArtsCalibre Academy's educational philosophy infuses leadership, the [MindUp Curriculum](#), and the [Learning Without Tears](#) program to facilitate literacy and numeracy. We also follow the [7 Habits – Leader in Me program](#) for schools, which teaches young learners how to be socially and emotionally present in all their interactions with others.

Qualifications/Requirements:

-  Current BC Teacher's Certificate
-  Recent experience teaching in BC middle/high schools is preferred
-  Current Emergency First Aid and CPR Level B/C Certification (we can provide paid training if needed)
-  Clear Criminal Record Check (we can acquire this for you at our expense if needed)
