

## Specific objectives of our Preschool program include:

### Language / Pre-Reading

Your child will:

- ✓ Recognize and print his/her name
- ✓ Be exposed to the alphabet letters and sounds they make
- ✓ Be exposed to various forms of written language
- ✓ Become aware of the days of the week, months, and seasons of the year
- ✓ Develop and demonstrate listening skills
- ✓ Be exposed to, develop an understanding of, and demonstrate spoken language.

### Math Readiness

Your child will:

- ✓ Count objects to 20
- ✓ Demonstrate number recognition to 10
- ✓ Demonstrate one to one correspondence
- ✓ Be exposed to “mathematical vocabulary” such as more, less, large, small, over, under, around, between, beside, etc.
- ✓ Recognize and name the basic shapes and basic colors.

### Science

Your child will:

- ✓ Practice observation skills
- ✓ Practice classification skills
- ✓ Observe cause and effect in the world around him/her
- ✓ Design and participate in simple experimentation
- ✓ Practice problem-solving and evaluation skills.

### Social Studies

Your child will:

- ✓ Expand his/her awareness of self
- ✓ Demonstrate an awareness of family structure and responsibility
- ✓ Develop an awareness of his/her community and community helpers
- ✓ Practice and demonstrate self-help skills including using the bathroom, proper hygiene, dressing, and eating.

### Music

Your child will:

- ✓ Participate in musical activities including song, dance, instrumental, movement, games and self-expression
- ✓ Be exposed to and gain an appreciation for various styles of music.
